

Chapman Medical Center

Founded in 1969, Chapman Medical Center is a 114-bed acute care facility, which provides high technology tertiary services, and boasts pleasant surroundings designed to promote comfort and a sense of well being. Chapman's advanced capabilities position the facility as a leader in specialty niche programs. We are pleased to be able to offer so many programs to our community. Our signature programs include:

- Bloodless Medicine and Surgery Program*
- Center for Heartburn and Swallowing
- Chapman Family Health Center
 - Outpatient Primary Care Clinic
- Chapman Lung Center
- Chapman Center for Obesity
 - Surgical Weight Loss Program
- Doheny Eye Center
- House Ear Clinic
- Hyperhidrosis
 - Treatment for excessive sweating
- Pain Management Services
- Positive Action Center
 - Adult and Adolescent Chemical Dependency Program
- Senior Mental Health
- 24 Hour Emergency Services
- Physician Referral
- Free Community Education Seminars
- FREE Local Transportation**

Our Mission is to provide quality healthcare to our community in a caring, compassionate and dignified manner while maintaining high ethical standards.

* "Bloodless" means medical or surgical treatment without the use of banked (stored) allogenic blood or primary blood components. Blood loss often occurs during surgery. A bloodless program endeavors to minimize blood loss by utilizing special blood conservation methods.

** Restrictions apply. Ten mile radius of hospital, non-emergency care only.
